SEW SPECIAL...16

Featuring Rhonda Buss

The featured speaker for Sew Special...16 is Rhonda Buss of Chicago. Rhonda is a past president of the Haute Couture Club of Chicago.

The event will feature a hands-on handbag workshop for 12 participants on Friday. Rhonda will be designing the project that will teach participants about zipper application, pockets, hardware and other handbag construction techniques.

Saturday will feature all things sleeves including how to change garments by restyling the sleeves. Samples will be available for the different sleeve variations. Rhonda will demonstrate how to draft, cut, slash and construct each sleeve variation. You don't have to be an expert because these techniques can apply to even a simple t-shirt style garment.

There will be a trunk show of some of Rhonda's fashions. The afternoon will conclude with a make it take it wool flower accessory suitable for a lapel, hat, bag or where ever. A small kit fee will apply.

In addition, the Saturday Sew Special...16 will feature a noon style show by the state Make It With Wool contestants.

Some would say that Rhonda was born with a needle in her hand. Her first project was an embroidered handkerchief that she made with the help of her grandmother at the age of five.

Once in high school, she took every sewing and design class that her school offered. With nothing more to offer, she was sent to the local community college where she had the opportunity to study fashion illustration and costume design.

While in college, she took the limited fashion design classes that were offered, but finally had the opportunity to truly hone her skills at Ray College of Design in Chicago where she graduated with a degree in Fashion Design. In her final year, Rhonda won numerous awards for her designs, including fur and millinery awards.

After graduating Rhonda worked as a designer for a dress manufacturer. From there she did costume design and returned to teach tailoring and design at Ray College.

In recent years, Rhonda began writing for Sew News Magazine. She has also been featured in Threads magazine, Sew It All, and Sew Stylish. Her design was on the Spring 2014 cover for Sew Stylish magazine.

In 2012, Rhonda won The People's Choice Award in the Passion For Fashion competition at the American Sewing Expo. In 2013, her design won third place.

In her popular blog, Rhonda's Creative Life, Rhonda features easy to make designs made from simple shapes. She has a passion for sharing her knowledge and believes that everyone can sew and create. They just need the basic knowledge.

NEIGHBORHOOD NEWS

Woodford County NG recently hosted the Central IL/Peoria Chapter Annual meeting.

Next November the annual meeting will be in Canton, hosted by the **Fulton County NG**. Plan to attend the 2nd Saturday in November.

The Fulton County NG has donated 60 angel gowns and 72 sets of knitted caps and booties to OSF Children's Hospital of Illinois Premie center for infants who have passed away.

The Peoria Morning NG has disbanded. We appreciate all of the time and effort given by Shirley Lippert. If you would like to volunteer to lead the morning NG contact any board member.

The Champaign/Urbana NG is looking for a new chairperson. Contact any board member to volunteer or submit a name.

PRESIDENT'S MESSAGE

Another Sew Special is in the books. I learned so much from the serger workshop that Pamela Leggitt taught on Friday. I wish more of you could have attended. I learned so many more ways to use the serger than just finishing seams--finishing inside and outside curves, gathering, attaching elastic and lace, ladder stitching and rolled hems.

Saturday sessions were very informative. Pamela was a very good teacher. I was fortunate to host Pamela in my home. She was a great guest. Funny story – I was talking with my husband about her stay and he looked at me and said: “You’re going to have to clean up your sewing room!” He was very right! Consequently, my sewing room has never looked better.

This is my last column as your president. I am happy to have served the chapter the last four years. I have made so many new friends, learned so much about the organization and even learned some things about myself (i.e. how hard it is to write a column!)

I have had a hard-working Advisory Board to help me with guiding the chapter. The goal of the Advisory Board is to promote sewing, share sewing ideas with like minded friends and to bring informative workshops while staying within the guidelines of the National organization. In the past four years, this board has created a chapter website, begun two new Neighborhood Groups, presented fabulous Sew Special events, held community sewing workshops and productive retreats. You, the members, made all these things possible by participating.

Ladies, there is so much to learn from other members at Neighborhood Group meetings, workshops, retreats and both National and Peoria ASG website. National has several classes to watch online. You can help your NG leader and the CAB by suggesting program ideas or offering to share an idea or shortcut you’ve learned over the years. Sharing talent and ideas is what ASG is all about.

A special thank you to my Advisory Board members I have worked with. You made my job easier. All the activities listed above happened because of you. Thank you to all the members who have shared their sewing projects and expertise at NG meetings. Thank you to Neighborhood Group leaders who spend extra time to make each group interesting and a learning experience.

Keep sewing and sharing ---
Carol

MEET MEMBER MARGARET YOUSSI

My mother inspired me to sew because she was a beautiful seamstress and created an array of lovely garments for herself and her four daughters. She was a perfectionist with an eye for design. She taught me patience and to take sewing seriously to achieve professional results.

I began to sew as a freshman in high school when I took Home Economics classes. I was blessed with excellent instructors who required absolute attention to detail. I found sewing challenging, creative and gratifying. I still do!

For many years, I sewed for my children, home, and self, but time, work and a busy life eventually narrowed my sewing to a trickle. Eventually my sewing machine was only used for alterations, but my love for the craft never diminished.

And then, two years ago, my son met a woman on a flight to Portland, OR. They conversed the entire 4-hour flight and afterward my son encouraged me to phone this amazing woman. Trusting his valued opinion that we shared similar interests, I called her and we have been special friends ever since! With her expert sewing skills, she reawakened me to a whole new world of sewing. Having a spare room, and my husband's complete support, I now have a delightful place of my own to sew.

After not sewing for 25 years, I find the craft has so many new and helpful aids. Online classes, notions aplenty, expositions throughout the country, and local classes at colleges are all readily available to an interested sewer. But the best advice my friend gave me was to become a member of the American Sewing Guild. I have met the most wonderful women who come together from all different professions to share their interest in sewing. Many are highly skilled and eager to assist those of us that are not as advanced. I look forward to our meetings because I have made new friends and I am inspired by their sewing methods and tips and... I enjoy seeing items the ladies have created.

This year I have been appointed as Membership Chairman for our ASG Chapter. I am honored to have this position and I will enthusiastically encourage anyone interested to join the guild to share his or her interest in sewing and to make some incredible new friends!

SEWING TIPS FROM SUE

Dritz recently uploaded 19 new videos on their YouTube channel: <http://www.youtube.com/DritzSewing>.

If you type in www.youtube.com, then search for the topic you want, sewing projects, beginning sewing, sewing machine, etc. you will find so many videos to watch.

You might want to find a sewing buddy to "share" your sewing room/stash if you are unable to dispose of it. It does help to have someone who is familiar with our sewing things, rather than a family member who has no clue. Not a wonderful thing to think about, but it is a reality.

Remember to take advantage of your ASG membership at JoAnn's. It's not good on everything but it does work on some. Also remember to check out www.asg.org for discounts exclusive to ASG members before you order.

Share your sewing talents this holiday season. Your scraps can come into play and save you some money, you will share your talents and someone will receive a nice gift.

If you have extra sewing items, you can advertise them free in the newsletter and on the web site.

Sue Barnabee is a former Family and Consumer Sciences teacher, and member of Haute Couture Club of Chicago. Her articles and projects have appeared in *Sew News*, *Creative Machine Embroider*, *Woodworker's Journal* and *McCall's Quilting* magazines.

COMMUNITY SERVICE PROJECTS CRITTENTON CHILD DEVELOPMENT CENTER

*...protecting and nurturing
children and families.*

Crittenton Development Center serves Central Illinois children and families by providing loving child care as well as a 24-hour staffed crisis nursery.

The center is in need of crib sheets. The pattern is on the web site www.PeoriaASG.org. You can donate them directly, contact a CAB member for pick up or bring them to a chapter/neighborhood meeting.

Our chapter donates custom-made bibs, crib and cot sheets, burp pads and wash cloths to help defray the costs of purchasing these items. Crittenton staff members have said the items our chapter provides are "much higher quality" than those they can purchase. They are in constant need of sheets. Please consider helping. Supplies will be provided to you.

This year we will help support Crittenton Development Center by collecting coupons for baby items. Since these are time limited, gather your coupons periodically and mail them to Crittenton Development Center, 442 W John H Gwynn Jr Ave, Peoria, IL 61605.

Our support at Crittenton Child Development Center is done by donating items that they need. This is a project we will be continuing. Contact Pat West for information at songbirdww@comcast.net.

ANTI-OUCH POUCH

Anti-Ouch Pouches were designed by our chapter member Deon Maas. This underarm hanging pillow is intended to add a little comfort to people's lives during a stressful, painful time. The pillow hangs from the shoulder, fitting snugly under the arm to cushion and ease the pressure of the underarm and breast area after breast surgery, upper body surgeries or during radiation treatment.

Tens of thousands of anti-ouch pouches have been lovingly sewn and donated to breast centers across the United States. The American Sewing Guild featured the anti-ouch pouch as the 2008 National Community Service Project.

This will continue to be an ongoing project for our chapter. We continue to take them to the Susan G Komen office, Methodist Diagnostic Center in Peoria and OSF in Galesburg. The digital mammography is catching so many more cases. Our need has increased. We would appreciate help making AOPs. If you have questions, contact Deon Maas at tommaas@winco.net or Sue Barnabee, scbarn@gmail.com.

The Peoria area is in continual need of Anti-Ouch Pouches. Please consider donating soft fabric, stuffing, or completed AOPs. We donate 100's every few months in our area.

ANGEL GOWNS OF CENTRAL ILLINOIS

To lose an infant leaves a sorrowful emptiness in the arms and hearts of their families who never were able to bring their children home from the hospital. It can be an isolating time, especially as parents try to find clothing to bury their tiny babies in.

The Chillicothe Christian Church is collecting wedding/formal gowns to make into Angel Dresses. The dresses are used to make gowns for babies who never recover in the neonatal intensive care unit at Children's Hospital of Illinois at OSF St. Francis Medical Center in Peoria.

The white and ivory gowns made for baby boys and girls serve as baptismal/end of life gowns, which traditionally adorn infants in white. Navy, gray and black are used for pant sets for the boys. The gowns are made to fit the small babies, who are often born premature

The gown at the top of the article is an example of a wedding dress used to make the gown at the bottom of the article. One wedding dress can make up to 10-12 Angel Gowns.

Gowns of white, ivory, pale pink or pastel tones, and navy, gray or black (for the boys) will be accepted. Bridesmaid, Communion or Easter dresses, silky ribbons, lace, cotton thread and other notions or donations to purchase sewing supplies will be accepted. If you have laces, trims or fabrics you can contact Dorothy Burnett at (309) 647-1956 or Sue Barnabee, scbarn@gmail.com (309) 647-0111.

Dresses do not need to be cleaned before you send them. Unless your gown has been trashed, sewers have had lots of luck spot cleaning and working around damage.

Each little outfit comes packed in a special pretty keepsake box. In the box along with the gown is a handmade knitted or crocheted blanket and a hat and booties. Those who knit or crochet can also volunteer to make the blankets, hats and booties.

Go to <https://www.facebook.com/gowns4angels> for more information about the group. Contact Kim Aldag at (309) 698-2026 or e-mail at kaldag1@comcast.net.

ILLINOIS STATE MAKE IT WITH WOOL

Now is the time to start your Illinois State Make It With Wool project! 2016 is the 55th year of the Make It With Wool contest in Illinois. Contact Marilyn Donoho, 7450 W. County Line Road, Paw Paw, IL 61353, (815) 627-9422, or Black1959@aol.com, for more information and entry forms.

The purpose of the MIWW contest is to focus attention on the beauty and versatility of wool; encourage the use of wool fabric or yarn in sewing, knitting, crocheting, spinning and weaving wool fabrics and yarns; offer the opportunity to compete for valuable prizes; and recognition for sewing, knitting or crocheting skills.

Start sewing your wool garment now! It would be nice to have another ASG member in the competition since we sponsor the contest in Illinois. The National MIWW contest will be January 28-30, 2016 in Scottsdale AZ.

NEWS FROM YOUR RETAIL LIAISON

All of the retailers are having some great blow out, inventory reducing sales now. This is the perfect time to buy the necessary sewing supplies for a project to work on at the Winter Sewing Retreat. How great would it be to get a head start on a summer outfit or dare I say finish something for Easter?

Many of us may be searching for that perfect closure and not think about looking in a yarn shop. Your local yarn shop probably has a nice selection of statement buttons or shawl pins. Most of these buttons and pins are little works of art all on their own. If you haven't looked at the vast assortment of yarns you are in for a real treat. Consider making your own closures or buttons from yarn you braid or knot yourself.

Take time to visit Counted Needle in Bloomington, 512 IAA Drive. Even garment sewers need a good selection of perle cotton and quality floss and speciality threads. This shop has a wonderful inventory. These threads are perfect for myriad embellishment techniques and perfect for the big stitch appliqué on Alabama Chanin style garments.

Finally, what's fashion forward for Spring/Summer 2016? Everything from minimalist but purposeful urban chic, to earthy tropical rainforest prints to a lingering 1960 hippie look. If you saved your palazzo pants and culottes from the 1970's pull them out because the style is back. (Silhouette Patterns has a new culotte pattern) Fringe is in and animal/reptile prints are still present. Knowing how to sew is so liberating. We can create anything our little sewing hearts desire!
